

Elevation with Brick and Optional Porch

## The Carmichael

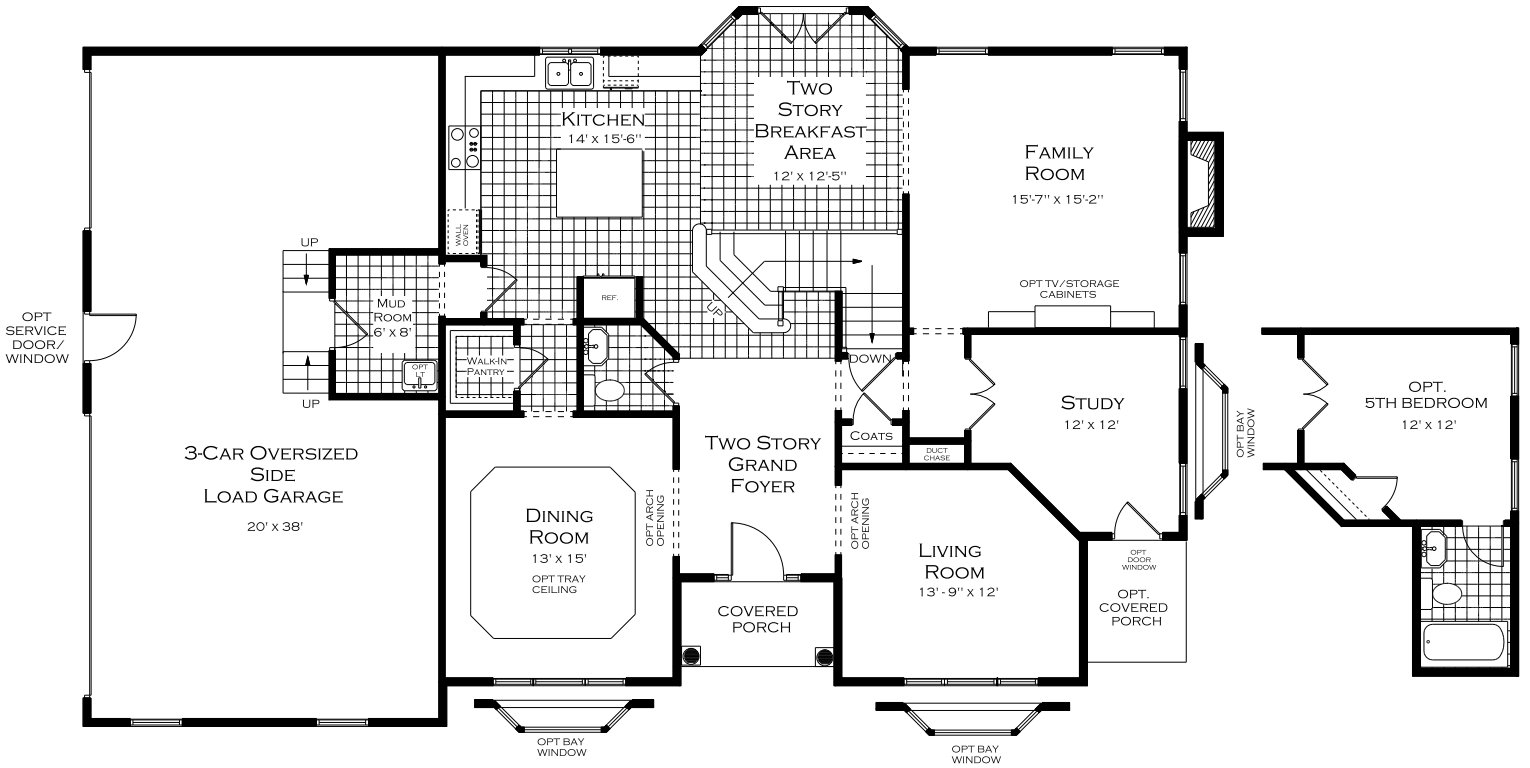

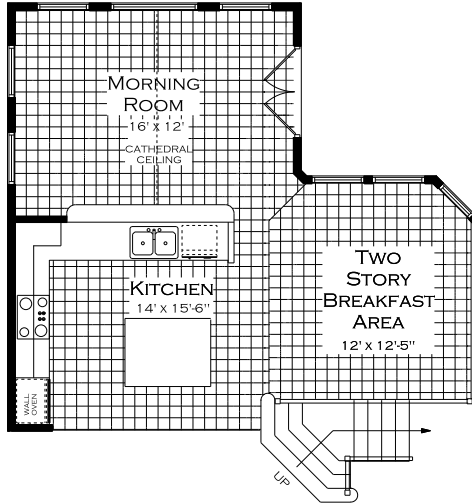

Main Floor	1,540 sq. ft.
Second Floor	1,966 sq. ft.
Total Living	3,506 sq. ft.

*Strong, yet simple, brick detailing gives the exterior of this home its handsome appearance. The car enthusiasts will delight in the oversized three-car garage. Inside, a central staircase is designed to allow for easy access from all areas of the house.*

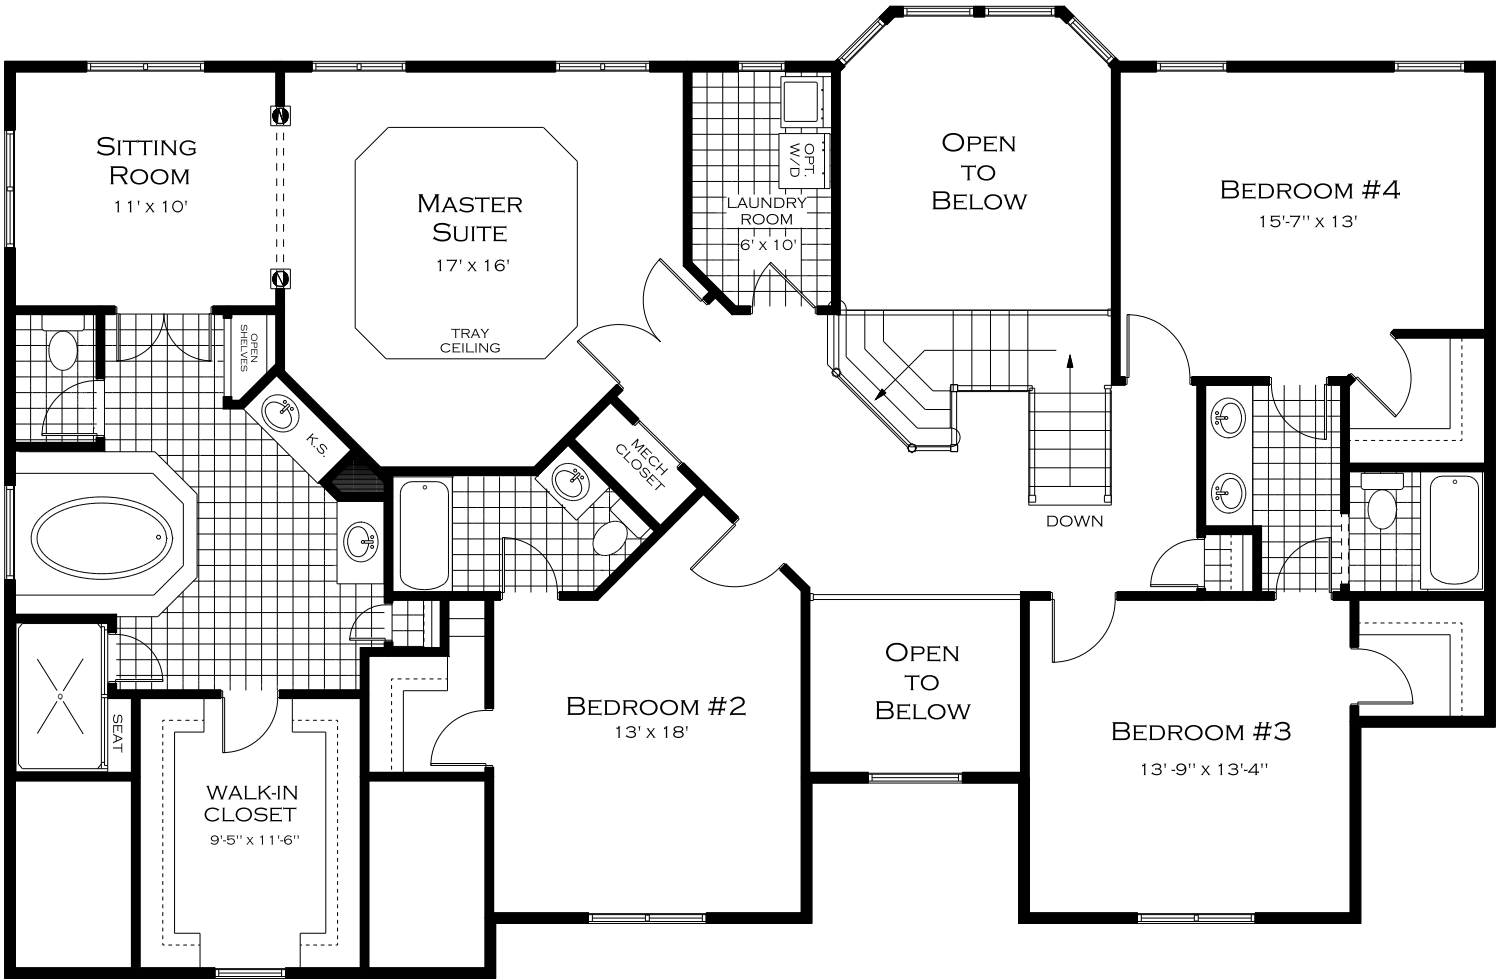

*The breakfast room, with its two-story ceiling, gives the casual family area a feeling of drama. A private study or bedroom is located in its own light filled area of the first floor.*

*The master bedroom features a sitting room that leads to a designer bath with a large shower area. All the secondary bedrooms are very spacious and have large walk-in closets. The upstairs laundry room features a window for light and ventilation.*
