The Kensington

Main Floor	2,022 sq. ft.
Second Floor	2,477 sq. ft.
Total Living	4,499 sq. ft.

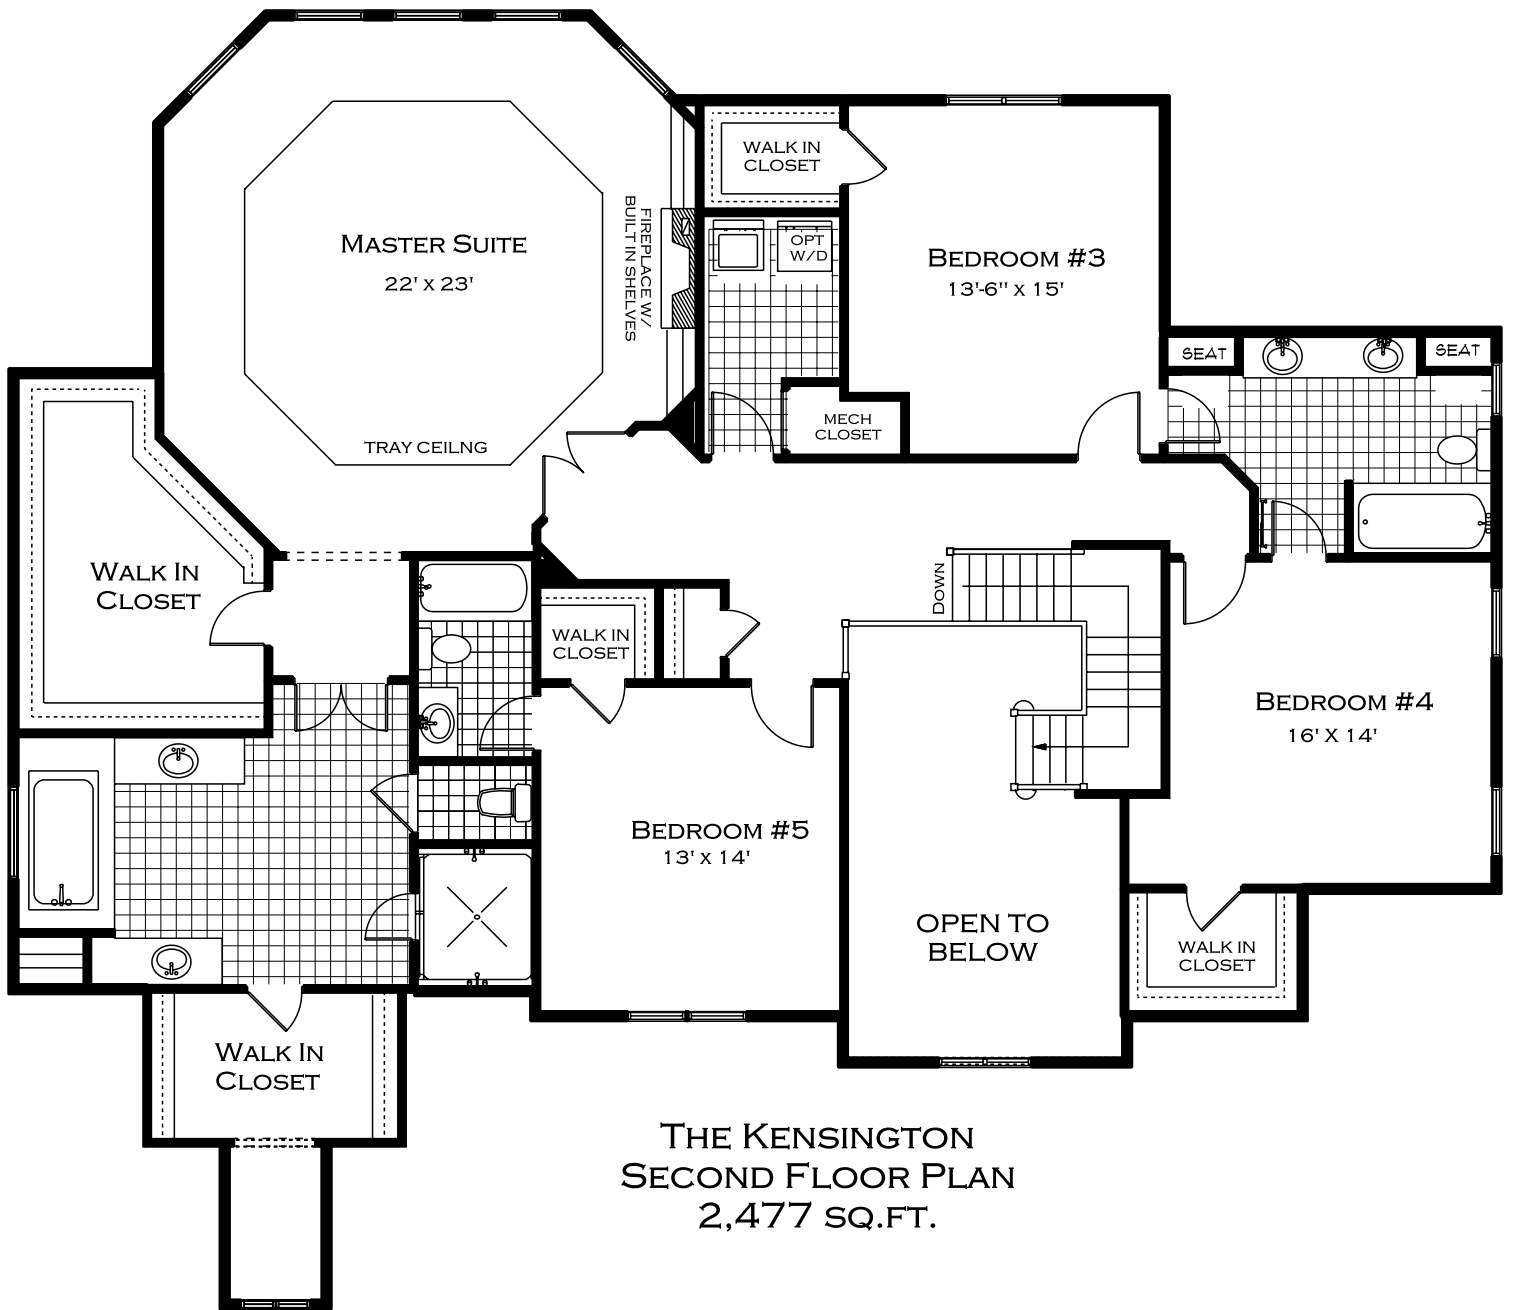

The stately brick detailing gives this English Manor its charm and character. The arched front entry porch and bay window greatly enhances this home. Once inside one is greeted with a sense of openness. A central two-story staircase creates interest yet provides easy access from all areas of the house. The living room becomes a wonderful setting with its bay window. A spacious family room is light filled and has arched openings into the kitchen and hallway.

The kitchen, a delight in itself, has an abundance of work and storage space, not to mention that it is flooded by natural light. A guest bedroom is located on the first floor. The second floor includes a fabulous master bedroom suite and three additional bedrooms and separate baths.
